CACC Vintage Discipline

John Elliott missed the CACC meeting as he didn't get a notice, but was off sailing anyhow.

Mike Bailey reported that the the Formula E promoters had contacted CACC; they will probably want volunteers but haven't got that far along yet.

SCCBC Update

Keith Robinson reported that because of cancelling of the BCHMR this year, SCCBC has decided to have a Driver Training weekend on the August 14 – 15 dates. This will not be a published event because there are enough people registered on the waiting list already.

META Update

Mike Bailey reported that his turn workers were very pleased to be back at the track, with 1 and 2 workers at each corner. Looking forward to CACC #2 coming up this weekend.

BCHMR

Ian Wood reported that we have reluctantly aborted this year's BCHMR.

We have to admit we don't want to put on a half baked event and with all the lingering COVID restrictions and less than enthusiastic entry numbers.

We will regroup and next year (2022), come "BACK WITH GUSTO"
