Prior Minutes

Minutes of April 20, 2023 meeting adopted as posted

President's Report

Mike advised that he was getting ready for his move in June and would be passing any club assets that he has onto others.

He would wait for Gayle's BCHMR report to say anything about the weekend.

Although there will be a long gap until our next official meeting, he felt that now that the BCHMR is over there won't be any pressing business. A ZOOM meeting can always be called if something pressing does come up.

Treasurer's Report

Gayle reported that our income since April 20 has been \$1,048.60 from membership and that we paid \$5.60 service charge for the month. She has ordered cheques because we were running low. (We last ordered them almost 5 years ago.) The cost is \$181.58.

Preliminary outcome of the 2023 BCHMR:

- Total income: \$36,306.15
- Total expenses: \$31,331.82 (to date)
- Net (at this time): \$4,974.33

This is not the final outcome, but it looks like we did okay.

Contact Gayle with any questions or if want a full breakdown.

META Update

Mike reported that a great time was had at the BCHMR although there was disappointment at the thin turnout of cars. META is always looking for new members.

BCHMR

Gayle reported that the event went off pretty well considering the very limited time that we had to get ready this year, the conflict with Mother's Day and the resulting low number of entries. A thank you to Ian (we think!) for the Saturday night entertainment.

A debrief meeting for the organizing group will be held after all of the financial results are in.

Old Business

Mike reminded that we need to send a cheque for \$300 to META for BCHMR as per the motion at the March meeting. Gayle will send the cheque.
