Vintage Racing Club announces 2025 BC Historic Motor Races

March 1, 2025 - The Vintage Racing Club of British Columbia (VRCBC) is very pleased to announce that the 36th running of its annual marquee race weekend, the British Columbia Historic Motor Races (BCHMR) will be held on August 16-17, 2025, at the Mission Raceway Park Motorsports Circuit in Mission, British Columbia, Canada.

Western Canada's Biggest Vintage Motorsport Event

The BCHMR is the largest vintage race event in Western Canada and a significant one in the Pacific Northwest, with typically 100 vintage and historic racing cars, and several thousand spectators in attendance. This year's event will again be co-hosted with our long-time partners, the [Sports Car Club of British Columbia](#) (SCCBC). Titanium Ford joins us again this year as our presenting sponsor.

On-Track Excitement

For 2025, the BCHMR will again feature three main Vintage race groups, one for the very quick open wheel and sports racing cars, and two for the sedans and sports cars that many fans remember from their younger days. In addition to the regular races, there will again be feature races for the West Coast Sprite-Midget Challenge series on Saturday and the popular Driver's Edge Autosport Miata Challenge race on Sunday.

Other Attractions

The 'Field of Dreams' will be back on both days as well. This big classic and performance car display in a special spectator area is a unique show of its own. Admission is free for collector car owners with the option to participate in lunchtime Parade Laps by donation to our charity.

Adding to the fun atmosphere are the sponsors' booths and food concessions, plus the excellent grandstand viewing and informative commentary. And the parking is free! This is an entertaining weekend for families as well as long-time motor sports enthusiasts.

Charity Support

The VRCBC continues to support the important work of the Mission Hospice Society, who receive funding generated during our BCHMR weekend.
