## PRESIDENT'S REPORT – Mike Bailey

- Planning is well underway on the BCHMR. I'll let Gayle fill in the details.
- Our last race was over a month ago, so I have nothing to report; however, I hope to see everyone this weekend. There were 9 Vintage entries as of midnight Wednesday.
- There will be NO VINTAGE GRID for CACC #4 on July 18 – 19.
- SOVREN'S big event of the year, The Pacific Northwest Historics, is coming up on July 3, 4 and 5.
- Our next meeting will be on **July 16 at Train Wreck Brewing, 3044 St. Johns Street, Port Moody, BC.** I may not be able to attend.
- I will be stepping down as President at the end of this year. I am dropping the ball on too many things now and the Club deserves better.

- We need to get a nominating committee formed to get members to step up. I am more than willing to advise and help new people on the executive and I suspect Gayle is too.

Lengthy discussion ensued. We assured Mike of how much he was appreciated. He does much more than any president would do. He needs to delegate....but the problem is that we don't have many members willing to step up and offer help. It seems the same 10 - 15 members of VRCBC carry the load year after year and the problem now is that we are "aging out". We need to take a look at "vintage" vs "historical" racing and restructure accordingly.

**VICE-PRESIDENT'S REPORT** – Aaron Robins (absent)

No report.

**SECRETARY -TREASURER'S REPORT** – Gayle Baird

Gayle gave the Treasurer's Report: The balance for our chequing account, as of June 18th was given, and income and expenses were reported. Details are available upon request [gaylebaird@gmail.com](mailto:gaylebaird@gmail.com)

***Motion #3***

Brett *MOVED* "that the Treasurer's Report be accepted as presented".

*SECONDED* by Mike Bailey.

*MOTION PASSED.*

## **DIRECTOR AT LARGE** – Brett Payne

Brett reported that he had a busy racing weekend with good vintage crew turnout but noted limited new driver migration to the vintage group. Gunther asked about vintage classes for the July 19 weekend, and Brett confirmed there would not be one due to the closeness of the date to the BCHMR event.

## **CACC REPORT** – Stan Guy (Vintage Discipline Director)

Stan reported that as of early June, there were 25 Vintage Race licence holders. There was a brief CACC directors' meeting on June 9th. There is nothing new to report on the discussions about revising the medical forms / requirements. Driving infractions / penalties are now published in a separate section on the CACC website. Apparently there were some significant inconsistencies with the adherence to class regulations at Knox Mountain this year, resulting in a number of complaints. Time Attack will be following up with the Knox organizers and other interested parties on how to resolve this for the future.

## **BCHMR** – Gayle Baird

- Plans are progressing – date of event – August 8, 9.
- There will be NO Practice Day, however, Speedy Goat has the track rented for the Friday and are very happy to accommodate anyone who is interested.
- Gunther offered to look after the trophies for the BCHMR, and the committee agreed to review entry lists in advance to better organize trophy categories.
- Our next BCHMR Committee Meeting will be Thursday, June 25th on ZOOM.

## **SCCBC REPORT** – Keith Robinson

No report

## **META** – Stan Guy

The May race weekend had Turnworkers covering Turn 4, which almost never happens...and all turns had more than one worker. Hope to see them back for CACC #3. We have gotten 5 – 6 of the new people from the Car Show campaign.
