### ***President (Stan)***

Stan stated that most regular business would be foregone for this meeting. The primary purpose of this meeting was the tour of Ferrari Maserati of Vancouver.

Stan thanked Mark Edmonds, General Manager of FM of Vcr for hosting the meeting.

The REVS races on last Sunday were a success. The next event on the May 12<sup>t</sup>-13<sup>th</sup> weekend will be a double with Vintage races on both days.

Membership is up to 92, as of tonight.

With respect to the BCHMR; our most recent firm indications are that there will be approximately 30 entrants for each of the CCGP and Formula Vee special supporting grids. Event planning is going well.
