

Vintage Racing Club of British Columbia

In memory of the late Eddie Vanetti, the Crew Chief of 'The Mad Mollusks Racing Team' comprising of Retta and Myles Winbigler and their friends the Executive of the VRCBC will call the August 16th Vintage Grid at Mission

'The Eddie Vanetti Memorial Vintage Grid'

Eddie was a staunch supporter of the VRCBC and SOVERN and was always at Mission with the racing team. He was a racing photographer as well as a Crew Chief and was around in California in the golden era of the sixty's when many of the greats were racing; he captured some of this action on film and in his memory. He was a fount of knowledge about the racing of that time and had many wonderful stories to share about those classic times.

Eddie will be missed by those who knew him and especially by the members of The Mad Mollusks Racing Team; by naming the August Vintage Grid in his honour the VRCBC says 'farewell' to a good friend and supporter.

PURPOSE OF THE CLUB

"The purpose of the Club is to restore, race and exchange information concerning vintage sports and racing automobiles. The Club was established in 1976 by a group of Vancouver based friends as a means of sharing with others their enthusiasm for racing and appreciation of the incredible vintage racing machines of bygone days. The Vintage Racing Club supports the philosophy of racing competition that encourages participation, sportsmanship and display of the vehicle in its natural state on the track. There are no prizes or trophies, merely the great enjoyment of a well prepared vintage racing machine at speed."

May brought us the annual Historic Motor Races at the River's Edge Road Course; it was a great weekend with an outstanding turnout of all vintage cars. To wrap your mind around their history would take more time than the weekend would allow. The weather gods cooperated with VRCBC for most of the time, well, Sunday anyway.

The Saturday night dinner was very well done, catered by Moose's Down Under, "a feast fit for a king" was served, along with a glass of wine to set the taste buds at rest. Robert Barg was honoured with a birthday cake and Ian Wood & Mike Tate sang a song for him that made some people blush! Sunday brought racing by gentlemen and everyone had a great time! Wonderful job VRCBC! I look forward to next year's event.

Thank you, Terry, very kind.

Wicked Fun weekend racing guys and gals, thanks a million for all your hard work.

Let's do it again sometime.

Maybe we should have our own fall finale up here ?? or an enduro type race ??
