

I have available a DVD of the "The Last Race". This video is from 1990 and shows highlights of the last Historic Racing weekend held at the Westwood racetrack. It includes a short segment shot at the Westwood Plateau on May 28, 2005 showing what the area looked like 15 years later.

The DVD is available for \$35.00, which includes HST, and shipping in Canada. Payment can be done online through PayPal (email me and I can give you the info) or send cheque to the address below.
